

# STUDENT LIFE

Students are the young citizens of our society, full of boundless energy and progressive ideas, ambitious plans and lofty aspirations, hopes and dreams. The branch is an opportunity for them to learn and socialize.

Together with the Student Council, the Student Scientific Society, and various organizations, students organize cultural and sports events, competitions, meetings with prominent people, conferences, roundtable discussions, courses, seminars, intellectual games, exhibitions, etc. Our students and lecturers participate in conferences, sports and cultural competitions organized in Armenia and abroad and achieve significant results.
